### It's Always Time to Cowboy Up

The Angus breeds #1 sire for registrations in 2019

Wide based, big bodied and sound made, with excellent feet and legs

Perfect bull to put the punch and power back into your Angus cattle

His outcross pedigree, phenomenal performance and powerful yet traditional Angus phenotype have made him one of the most popular bulls in the industry

A breed changer from a growth, performance and body mass standpoint

### The Man, The Performer, The Legend

A man amongst boys from a young age, combining tremendous base width and muscle with exceptional substance, rib shape and length of body

Described by many astute cattlemen as the most powerful Angus bull they've seen in recent years

His progeny are tearing it up with big-time performance and outstanding demand in sales across the country

Dam is a 10 plus year old Pathfinder® with a great udder and a nursing ratio of 112

His unique data and imposing phenotype make for as stout of a power bull package as we know how to make

### Building A Better Product

Total outcross pedigree that combines three legendary Angus sires who were made famous for their ability to make fantastic females with impeccable udders, great femininity and exceptional dispositions

His famous great-grandam Amy B121 comes from the same cow family you will find in the pedigree of the impressive female-maker, FUSION

Proven calving ease with exceptional efficiency and maternal traits

He is attractive patterned, dark cherry red, big soft bodied and sound as a cat

If you're in the business to make stylish attractive momma cows, the maternal ability of this sire runs multiple generations deep

### Move Your Herd Forward With Propulsion

Standout from both a data and phenotype perspective, makes attractive cattle that will smash the scales  
Big time performance with style and length to burn; you'll love the muscle, shape and phenotype he brings to the table

Dam is a long sided female with a 108 MPPA

One of the top proven performance bulls in the breed today, his progeny offers an excellent combination of growth and muscle shape

A sire that won't disappoint from a natural thickness and complete package standpoint; you will notice his calves hit the scale at weaning time

### Defining A New Genetic Realm

You will not find a truer herd bull look in unison with this kind of data package

His dam is the rockstar donor 7098 who is creating an absolute buzz in the breed with everything she produces; this is your chance to tie into a dominant cow line

The first progeny did exactly what was expected - arrive unassisted, get up fast, and come with a look that gets producers excited

Awesome fronted, great balance, with tremendous feet - use him to 'class up' your herd

DNA tested homozygous polled, 100% pigment both eyes

### Most Valuable Resource

Powerful Resource son whose low birth weight yet high performance progeny record distances him from the pack

Built like a tank he's wide topped, displaying extra muscle shape throughout

His daughters are making lots of friends - they are big bodied, beautiful uddered females with exceptional foot quality

Excellent maternal indexes with a very positive and unique combination of \$Maternal, \$W and \$EN

CHAPS offers all of the quality of Resource with significant advantages for both Direct and Maternal Calving Ease as well as Marbling

### Building A Better Product

Total outcross pedigree that combines three legendary Angus sires who were made famous for their ability to make fantastic females with impeccable udders, great femininity and exceptional dispositions

His famous great-grandam Amy B121 comes from the same cow family you will find in the pedigree of the impressive female-maker, FUSION

Proven calving ease with exceptional efficiency and maternal traits

He is attractive patterned, dark cherry red, big soft bodied and sound as a cat

If you're in the business to make stylish attractive momma cows, the maternal ability of this sire runs multiple generations deep

OAKS MS PATTON 302X3

### A Blend Of Maternal And Power

Sired by POWERBALL, your lottery winner for power, body, thickness and mass while making beautiful daughters with impeccable udders

Scanned his own 8.25% IMF and moves the needle for marbling and end product

Checks the boxes of calving ease, growth, scrotal, red meat yield, and marbling

A moderate-framed, eye-appealing bull who's wide-based, and super sound with a great disposition. He's thick-ended with the added power of a beef bull look

DNA tested homozygous black, homozygous polled

BULL:

RUGGLES CHARISMA 0643

Date of Birth:  
1/16/2019

AAA 19535146

Owned by: Ruggles Angus, NE; ABS Global, Inc., WI

CONNEALY CONFIDENCE 0100  
CONNEALY CONFIDENCE PLUS  
ELBANNA OF CONANGA 1209  
SITZ UPWARD 307R  
MILL BAR BLACKYES 7432  
MILL BAR BLACK POWER 5839

### Compelling Kind and Quality

Powerful and complete Confidence Plus son that checks all the boxes

Calving ease with added power and phenotype, shows loads of performance, end product and maternal in one package

CHARISMA is big topped, big hipped and bold sprung. He's a really quiet bull with great structure and super good feet

His first three calf crops have been standouts both from a performance and a type and kind perspective

Strong maternal data and background from a Pathfinder dam that records eight progeny at a 106 ratio
